confirm if the police have
advised the media of this?

Sun, Feb 13, 5:21 PM

Just on a zoom. We advised
we are working to open
bridge and Huron church
road as soon as possible.
They asked if it might be
today and

I told them as soon as
possible.

I am going to EOC and will
ensure you are kept in the
loop

Ok...I have told our media to
advise once it is safe and
secure to do so...

Ok
